Greetings:

Attached is a recent filing in the United States District Court for the District of New Mexico which refers to a recent order rendered by the Court which illicitly fabricates information supporting four persons holding federal positions as federal judges under false pretences and the active insurrection engaged in by them against the Constitution of the United States. The full evidence is contained in the record proper of the case on file with said Court; however, sufficient information is included to justify a further investigation into the matter.

Please be so advised.
